Message from the Manager - Scott Simerlink

It is not too late to sign up for some of our summer camps and clinics. Call The Club to sign up your children or grandchildren. All the registration forms can be found online as well.

We have moved our website to be hosted by our club software company and this should streamline the process. This, however, will require you to again create a new sign on and password if you want to utilize the online statements, roster, and other secure functions. If you aren't getting our weekly e-blasts please call us and we can check will be close those days for the to make sure we have the correct email address on file.

Congratulations to our

2018 Golf Club Champions: Ladies – Diane Watson, Men's – Father's Day Brunch planned Jon Weiss Jr., Senior— Allen McCall and Super Senior - Paul dad or granddad out at the Davies.

Congratulations to all our recent graduates and good luck as you enter the next phase of your life.

The pool is a great place to have a party! Call Christine to secure a date and time. Please note we can not close the pool for an event before 8pm.

Our annual Men's Golf Member-Guest Tournament is June 7-9th, and the golf course this tournament. We still have space available if you and your Scott Simerlink guest would like to play.

We have a special for Sunday June 17th. Treat Club for lunch.

We have a new lunch and dinner menu for the summer. Our menu is only a blue print of what we can do. All you have to do is ask your server and if we have the ingredients we will make it. Club favorites such as buffalo chicken wraps, quesadillas, club sandwiches, etc. are always available.

As always, we hope to see you at the Club. Have a fun and safe summer!

Here is a snapshot of camps that are coming up throughout the summer! Tennis gets the summer started with our first camp starting June 4-8th.

You can find more information in the camp packet. That can be found at the reception desk with Christine or online as a printable PDF. This information includes registration forms, camp waivers and costs.

If your child is attending any camp where they will have pool time or be exposed to the elements, please, send sunscreen. We will help them apply it if needed. We don't want them to ruin their summer by getting burned.

Also, please note that any of the camps may be made into half-day camps to accommodate the campers summer schedule. Feel free to ask how we can alleviate the stress of figuring out your child's summer schedule for you.
